SIR,

Referring to your letter No.L.9608/M1. 15-30-30 dated the 4th instant calling for certain information regarding the acquisition of certain garden lands in Fort and Krishnaraj Mohallas by the Trust Board, I have the honour to state that this being an item of remunerative acquisition an expenditure of Rs 30,000/- was budgetted for against a receipt of a corresponding amount by sale of sites formed after acquisition, and that no allottment could be made for this item independently of the corresponding receipts. No amount is therefore available out of the allottment made for the purpose. What is now proposed is to incur the expenditure on acquisition now and recoup most of the same by sale of sites in the course of two or three months. If there should be financial objection for this ~~for making an advance~~ year out of the next year's grant of Rs 65,000/-, it would be sufficient if out of the grant for next year a sum of Rs 35,000/- is made available in the 1st week of July 1931 as the payments can be put off till then.

I have the honour to be,
Sir,
Your most obedient servant,

Chairman.
